REPORT OF THE BOARD OF EDUCATION.

We are glad to report that the schools have been in session thirty-six weeks the past year. The attendance during the fall and winter terms was somewhat hindered by whooping cough and colds. Pupils have shown an interest in their work.

Memorial Day exercises were of unusual interest. February afternoon, the eleventh, was given to Washington's and Lincoln's anniversary exercises with visitors present.

Improvements have been made in the grammar schoolroom by putting in two windows at the rear of the room. Double doors have been placed at the entrance. The village primary school house has been shingled on one side. The north primary buildings have been improved by painting and minor repairs.

Estimates for fiscal year ending February 15, 1917:

Money required by law	$825.00
For text-books and supplies.....	75.00
For tuition	200.00
For flags	5.00
